## From the Principal

*It is indeed a great privilege on my part to offer a warm welcome to all who desire to pursue their studies in this premier institution of higher education which was accredited with grade 'A' by NAAC in 2016. The college, which celebrated its golden jubilee recently with much pomp and gaiety, came into being in 1966 as the cumulative consequence of the noble initiative and painstaking efforts collectively undertaken by a host of leading citizens and the general public of greater Howly and Barpeta Road area under the leadership of Late S. N. Das, the founder principal of the college. The college can now boast of a student enrolment of over 3000 and a faculty strength of nearly 80 and an alumni of several thousand well established in different fields. The present infrastructure of the college comprises spacious classrooms along with a number of smart classrooms, the big central library, well-equipped laboratories, hostel provision for both men and women, canteen facilities, a large playground and Indoor Stadium and many more support services.*

*Since 1969, when a student stood fifth in the Pre- University (Arts) Examination, students of this college have been producing brilliant results in various final examinations. The students of the present generation are expected to carry forward that legacy of pride and glory. With a dedicated and sincere brigade of teachers, it is our mission to provide quality education to our students. We have initiated the process of using the information and communication technologies in the teaching-learning process to enable the students reap the benefits of advancement of technology.*

*The success of any mission depends on the collective efforts, co-operation and concerted action of all the stakeholders. It is my earnest appeal to all to come forward and help us in achieving our goal. Let us join hands to make our college one of the best in India and to make the dream of the founding fathers a reality.*

(Dr. Bhushan Ch. Pathak)  
Principal, B. H. College

## ***B. H. College - A Profile***

### **ORIGIN**

The origin of B. H. College dates back to January 1964 when Late Jadab Chandra Das, an eminent citizen, mooted the idea for establishing a College at Howly. Accordingly, a public meeting was held at Howly Chandi Barua Bhawan with Late Abdul Kader Choudhury, (Mouzadar) as President, and, all those who were present very much appreciated the idea and unanimously decided to establish the College at the earliest. It was further decided that the leading persons from different communities of Barpeta Road should also be apprised of the necessity of a College and a joint attempt be made for establishment of an 'Ideal College' in this locality.

A general meeting of the representatives of Howly and Barpeta Road was held on 24-05-1964 at 3 p.m. in the premises of G. N. B. Memorial High School, Barpeta Road, under the presidentship of the then Chairman of Barpeta Road Municipality Board, Mohanlal Choudhury and it was resolved that- "A college, an ideal college, be established with the co-operative efforts of the people of the Howly and Barpeta Road area for meeting the increasing demand for higher education of the people of this locality."

The first general public meeting was held on 12-06-1964 at the G. N. B. Memorial High School premises under the Chairmanship of the then S. D.O. (Civil) Barpeta, Kamal Chandra Majumdar, who galvanized the spirit to see the idea realized.

Noble thoughts may take time to conceive but little time to deliver. In no time, the intense desire and untiring efforts of founding fathers lit the light of B. H. College initially only with Arts faculty in the year 1966. The selfless devotion & sacrifice of the local people have graduated this institution into a famous college in Assam and now it is standing with glory as their cherished offspring.

The opening of the Commerce Stream in 1973 and subsequently Science Stream (H.S.) in 1988, Science Stream (UG) in 1996 and post-graduation in Commerce in 1990, and PG in Assamese and Education in 2018 enabled this institution

to emerge as the only full-fledged three faculty institution in Lower Assam under Gauhati University. The college was accorded UGC recognition in the year 1969 and it had also achieved the distinction of B++ Accreditation by NAAC in 2003. During the session 2015-16 the 2nd cycle of NAAC assessment of B. H. College was completed and Peer Team sent by NAAC visited the college on 28th, 29th & 30th April, 2016. The college was accredited with '**A**' (CGPA 3.11) grade by NAAC on 25th May, 2016 which is quite satisfactory for the entire college family and the local public.

The strength of this institution lies in its academic achievements and healthy environment. A rural college, essentially catering to the academic needs of local youth coming from families of cultivators and poverty-stricken multitude, requires a very soft-careful managerial acumen in its build-up process. Our founder Principal Sri Satya Nath Das is the man who did the job with admirable success. The armature of this institution is strong enough to meet the growing challenges of Higher Education.

### LOCATION

Historically famous and conveniently situated, Barbarijhar Reserve is the location of the College. This Barbarijhar was originally the capital of Raghudev Rai, the son of Chilaraya, the brother of Koch King Nannarayan. It is situated in the middle point of Barpeta Road and Howly, on the western side of the N.H. 31. The College comprises 33 acres of land shaped in a semi-circular form and bordered by the dead river 'Manas'. The location of the College is far from the din and bustle of towns and cities. Valuable trees and lush-green vegetation lend to the institution a pastoral magnanimity and sylvan serenity. Though sequestered, the location of the College reminds us the concept of 'Sangrillia' or in other words 'Gurukulashram'.

### MISSION AND GOAL

The institution aims at imparting knowledge of various disciplines amongst the youths of rural and semi-urban populace of the region to make them responsible and competent to face the challenges of modern world and contribute towards the uplift of the society.

Besides, it endeavours to set an example of unity and integrity among different sections of people of the locality.

## Regular Courses HIGHER SECONDARY (as per AHSEC)

In the Higher Secondary Level, students may offer four optional subjects, out of which one automatically becomes the fourth subject in which they secure least marks. In Commerce Stream, however, there are two optional subjects, out of which the second one in which the student secure lesser marks automatically becomes the fourth subject.

## REGULATIONS OF THE UNDER GRADUATE COURSE, CHOICE BASED CREDIT SYSTEM (UGBCS) GAUHATI UNIVERSITY

### 1. THE CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. A CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and, together with it, implement a uniform grading system.

### 2. UNDER GRADUATE CBCS (UGBCS) PROGRAMMES

The undergraduate degree programme in the CBCS will have courses spread across six-semester. A typical semester will comprise a minimum of 15 to 18 weeks of academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions - June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be 'June to November', and that of Even Semesters (Second, Fourth and Sixth) shall be 'December to May'.

The dates and duration mentioned in the academic calendar concerned will be in consonance with the above schedule as far as practicable.

Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

The minimum time requirement to acquire an undergraduate degree will be three years. The maximum time allowed to complete the programme will be six years.

#### Structure of courses and credits of the UGBCS programmes:

- 2.1 The term undergraduate degree programme denotes programmes like B.A., B.Sc., B.Com., B.Voc, BCA, BBA and all other such programmes where the requirement for award of a degree is the successful progression of the student through six semesters of academic work.
- 2.2 The academic work in each semester will require the student to engage with chosen courses, the content of which will be described in detail in the syllabi. Every course will have defined learning objectives and may be designed to comprise lectures, tutorials, laboratory work, field work, project work or any other activity that addresses the learning objectives of the course.
- 2.3 Each course will have credits, assigned on the basis of course related activities, which a student will earn through satisfactory fulfillment of the academic requirement of the course.
- 2.4 An undergraduate degree program with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree program without Honours will require a student to earn 132 course credits. Students in a Honours program can opt to earn additional credits by undertaking additional Elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular program, this credit ceiling will be 140 credits. The credits earned beyond the mandatory program requirement will not be taken into consideration in computation of the student's grade but will be recorded in the grade sheet.

**Note: Wherever the University requires that an applicant for a particular M.A./ M.Sc. /Technical/Professional course should have studied a specific discipline at the undergraduate level, then obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the M.A./M.Sc./Technical/Professional course**

- 2.5 The medium of instruction and examination will be English and/or Assamese, except in language courses.

### 3. NATURE AND NOMENCLATURE OF COURSES:

In line with the UGC's guidelines, the courses are categorized as Core courses, Elective courses or Ability Enhancement courses

**3.1 Core Course:** A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a Regular undergraduate degree programme a student will need to take up 12 core courses, each again of 6 credits.

**3.2 Elective Course:** An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types:

**3.2.1 Discipline Specific Elective Course:** An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective course may also offer discipline related elective courses that are interdisciplinary in nature. A student enrolled in an undergraduate degree program with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-Honours undergraduate degree program in science, the course credit requirement from Discipline Specific Elective courses will be 36 credits. For a student enrolled in a non-Honours undergraduate degree program in Arts and Commerce, the course credit requirement from Discipline Specific Elective courses will be 24 credits.

**3.2.2 Generic Elective Course :** A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree program with Honours can acquire 24 course credits from Generic Elective Courses. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses. Generic Elective Courses are not available to students in a non-Honours undergraduate science degree program while other non-Honours undergraduate programmes require enrollees to take up two such courses.

**3.2.3 Dissertation/Project:** Engaging students in a Project/ Dissertation work, which requires knowledge application and problem solving, is considered to be important in the learning process. All students enrolled in an undergraduate degree program (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credit Discipline Specific Elective course in the fifth semester only.

**3.3 Ability Enhancement Courses:** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree program will be of two types:

**3.3.1 Ability Enhancement Compulsory Courses:** These 4 credit courses are mandatory for every student enrolled in an undergraduate degree program. A student will have to take up 4 credit course in Environmental Studies and a second 4 credit course in English Communication/ MIL Communication.

**3.3.2 Skill Enhancement Courses:** Skill Enhancement Courses will be value-based or skill based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree program with Honours will have to take up a minimum of two SEC courses of 4 credits each as part of the program requirement. For students enrolled in non-Honours undergraduate degree programs the credit requirement from Skill Enhancement Courses will be 16 credits. It is desirable that the university will prepare Skill Enhancement Courses for various disciplines from the list of SEC provided by the UGC template. However colleges are free to develop their own SECs independently which must have prior approval of the Academic Council.

### 4. STRUCTURE OF COURSES AND CREDITS OF THE UGCBCS PROGRAMMES

Gauhati University has adopted the under-graduate Choice Based Credit System subject to the UGCBCS Regulations, 2018, Gauhati University. The university has to the best possible extent attempted to conform to the Instructional Template disseminated by UGC. The programmes offered by Gauhati University will conform to the following guidelines.

4.1 Gauhati University will adhere to the common minimum curriculum and syllabi of the core papers as framed by the UGC. The permissible deviation in the content in the core papers is 30% at the maximum.

4.2 The university through their Under Graduate Committee of Courses and Studies (UG-CCS) will design their own syllabi for the elective papers. The UG-CCS may adopt elective courses from the list provided by the UGC or alternately frame courses independently as per their specialization and available infrastructure.

- 4.3 Two categories of Ability Enhancement Courses will be offered:  
 5.3.1 (a) English Communication (for BSc) and English/MIL Communication (for BA) and Business Communication (for/BCom) will be offered in the 1st Semester and (b) Environmental Studies will be offered in the 2nd semester.  
 5.3.2 Skill Enhancement Courses will be offered by affiliated colleges from the UGC list. Alternately colleges may develop these courses on the basis of local expertise and market demand and these courses must have prior approval of the Academic Council.

4.4 For the purpose of computation of work-load the following mechanism is to be adopted:

- 1 Credit = 1 Theory period of one hour duration per week
- 1 Credit = 1 Tutorial period of one hour duration per week
- 1 Credit = 1 Practical period of two hour duration per week

## 5. REQUIREMENTS FOR AN UNDERGRADUATE DEGREE

The following table indicates the requirements for successful completion of under-graduate degree in Gauhati University -

DEGREE	MINIMUM REQUIREMENTS
Undergraduate Degree with Honours (all disciplines)	<ul style="list-style-type: none"> <li>■ 14 core papers in that discipline</li> <li>■ 2 Ability Enhancement Compulsory Courses</li> <li>■ 2 Skill Enhancement Courses ( minimum)</li> <li>■ 4 Discipline Specific Elective</li> <li>■ 4 Generic Elective papers</li> </ul>

## 7. CREDITS AND ATTENDANCE

7.1 To be awarded credit in Core Courses, Elective Courses, Discipline Specific Elective (DSE) Course, Generic Elective (GE) Course and Ability Enhancement Courses (AEC) [comprising of Ability Enhancement Compulsory Courses (AECC) & Skill Enhancement Courses (SEC)], students must have at least 75% attendance. The attendance of all courses including the Skill Enhancement Courses shall be counted and accounted for in full while determining if the student has met the minimum attendance norms of Gauhati University.

7.1.1 *Attendance means attending direct instruction hours, i.e., theory classes, seminars, workshops, practical, internships, educational trips, field works, project works etc.*

7.1.2 *Learning in distance mode or self learning by library works or by internet hours will not be counted as attendance, unless it is specifically identified and prior approved by the University.*

7.1.3 *Basis for calculation of attendance: The basis for the calculation of the attendance shall be the number of hours of contact prescribed by the University.*

7.2 In case a student fails to have at least 75 percent attendance, he/she will not be allowed to sit for the end semester examination and hence have to repeat the concerned semester after the successful completion of the subsequent semesters.

*(For example, if a student fails to secure the necessary credit in the first semester, then he/she can register in the second and subsequent semesters. And only after the successful completion of the sixth semester, can he/she repeat the first semester to earn the deficit credits.)*

7.2a Provided that the above stipulations of at least 75 % attendance shall not apply to ODL learners admitted under GUIDOL.

## 8. EXAMINATIONS, EVALUATION AND GRADING

### 8.1 Examinations

Examinations, whether internal or end semester, theory or practical, would be **counted in totality** for the purpose of considering a student passed or failed.

8.1.1 If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered failed in that paper. Any paper where a student fails will be called an 'Arrear' paper of that student.

In case a student fails in any one or more papers in an end semester examination, she/he can appear in all the papers in which she/he failed.

8.1.2 A student having 'arrear' in external examination, either in theory or practical papers, shall be allowed chance to clear the same in the next available end-semester examinations, with the following restrictions:

9.1.2a No student will be allowed to appear in the first and fifth semester examinations simultaneously.

9.1.2b No student will be allowed to appear in the second and sixth semester examinations simultaneously.

8.1.3 The first and the fifth semester examinations will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examinations will be held simultaneously, while the fourth semester examination will be held separately.

8.1.4 A student may be allowed once to reappear in any one of the honours theory courses in each of the first, second and third semesters for betterment of grades if the candidate secured 'pass grades' in all papers. Students will be allowed to reappear only in the next similar examination. Grades obtained either in the earlier examination or in the subsequent examination, whichever is higher, will be awarded to the student.

8.1.5 No betterment will be allowed in internal and practical examinations in any semester.

- 8.1.6 A student must pass all her/his semester examinations, including 'arrear' and 'betterment' chances within six years from the date of admission to the first semester. In this context, six years means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student (with necessary credit/attendance) who could not appear or who failed in any semester examination will be allowed chance to clear the same as follows:
- i. First semester with regular third semester examination.
  - ii. Second semester with regular fourth semester examination.
  - iii. Third semester with regular fifth semester examination.
  - iv. Fourth semester with regular sixth semester examination.
- 8.1.7 There shall be no scope for a student to appear as Private Candidate in any course.
- 8.1.8 **Schedule:** The schedule for examinations will be as per the concerned Academic Calendar. The exact dates of examinations and related information will be notified by the office of the Controller of Examinations, Gauhati University

**8.2 Evaluation:** A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course, she/he has to pass on the basis of the marks secured in TOTALITY in both Internal Assessment and End Semester Examination.

**8.2.1 Internal Assessment (IA):** IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

8.2.1a Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

8.2.1b 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 mark;
- b) Class attendance from 81% to 85%..... 2 marks;
- c) Class attendance from 86% to 90%..... 3 marks;
- d) Class attendance from 91% and above..... 4 marks.

8.2.1c Rest 30% of the marks allotted (i.e. 6 marks) for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- i) for Practical Courses: Practical (internal practical including practical copy)
- ii) For non-practical courses : Home assignments; Seminar/Group discussions; Field work; Performance in co-curricular and extra-curricular activities.

**8.2.1d Internal marks will be scaled up/down to ensure a maximum permissible deviation of 20 percent from ESE marks. Thus, internal marks can deviate only within the mark band of % marks secured in ESE plus /minus 20 percent.**

8.2.1e In case of ODI, learners admitted under GUIDOL, IA will ideally account for 20% of the total marks allotted to a course (in a manner similar to conventional mode students) and will be distributed as follows

- i) Sessional or Mid-term examinations will be conducted for 50% of the total marks allotted for IA of a course ( in a manner similar to conventional mode students)
- ii) Rest 50% of the marks allotted for IA will be distributed and awarded on the basis of performance of students on the following criteria ( in a manner similar to conventional mode students)
  - Home assignments
  - Seminars/Group discussions
  - Field Work
  - Performance in co-curricular and extra-curricular activities.

8.2.2 **End Semester Examination (ESE):** The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper, her/his marks in both Internal Assessment and End Semester Examination will be accounted for in totality

- For Courses with Practical, ESE will be conducted as per Theory (60 marks) plus Practical (20 marks)
- For courses without practical the ESE will be conducted for 80 marks.

***For odd semesters, ESE will be held in the month of November and for the even semesters, the examination will be held in the month of May.***

### 8.2.3 **Pass Marks**

**The conditions for successful completion (Pass) of a course is as per the Grading Template.**

### 8.2.4 **Number of Attempts**

- 8.2.4a A student who has completed a semester may be allowed to proceed to the next semester, irrespective of the number of papers in which she/he failed.
- 8.2.4b In order to complete an UG degree, a student must obtain passing grades in all the papers prescribed.
- 8.2.4c A student having failed to fill in his examination form in the first semester may be allowed to appear in the second semester if all other eligibility criteria are fulfilled.

## Academic Departments

### *Accountancy*

<b>Year of Establishment</b>	: 1973
<b>Location</b>	: 2nd Floor, Main Building

**History :** The department was opened in 1973 when the Governing Body of the college decided to introduce Commerce Stream in this college. Since then, Accountancy has remained a core department of this stream. Ram Avatar Sarada was the founder teacher of this department who played a prominent role in developing this department as well as the Commerce Faculty as one of the most successful academic departments of the college. After his retirement he was appointed as the President of B. H. College Governing Body by the Govt. of Assam for a tenure of 5 years from 2009 to 2014. Along with Sarada, Rajendra Kumar Jajodia, Sheikh Abdul Hamid and Prabin Maheshwari have served sincerely and have been able to produce a large number of brilliant students. Every year a good number of students secure 1st class in this subject in the University Examinations. On several occasions students of this department have occupied top rank in the Degree and PG Examinations. In 1992, Prabin Maheshwari, a Gold Medallist and a brilliant product of this department joined this department as a teacher and has been serving till date. Binod Ch. Swargiary, another alumnus of the department had served here for a brief tenure before his joining in Kokrajhar Commerce College.
