To
The Principal, B.H. College, Howly

Sub: Contribution of Hostel Alumni towards the development of the college and the hostel.

Sir,

It is with honor and pleasure on our part to inform you that the alumni association of B.H. College Boys' Hostel have been working towards the development of the hostel in particular and the college in general. We organised golden jubilee celebration of Boys' Hostel on 22nd January, 2023 with a day long programme involving the college and the hostel family, both the present and former ones. Also, we brought out one sovenir on the occasion of Golden Jubilee Celebration of Boys' Hostel. Again, with the contribution of present and ex-boarders, the alumni association is proud to donate Rs. 1 lakh towards the construction of main gate of the hostel.

Sir, we are looking forward to the all round development of the college in near future.

Thanking You.
