## **Report of the Workshop**

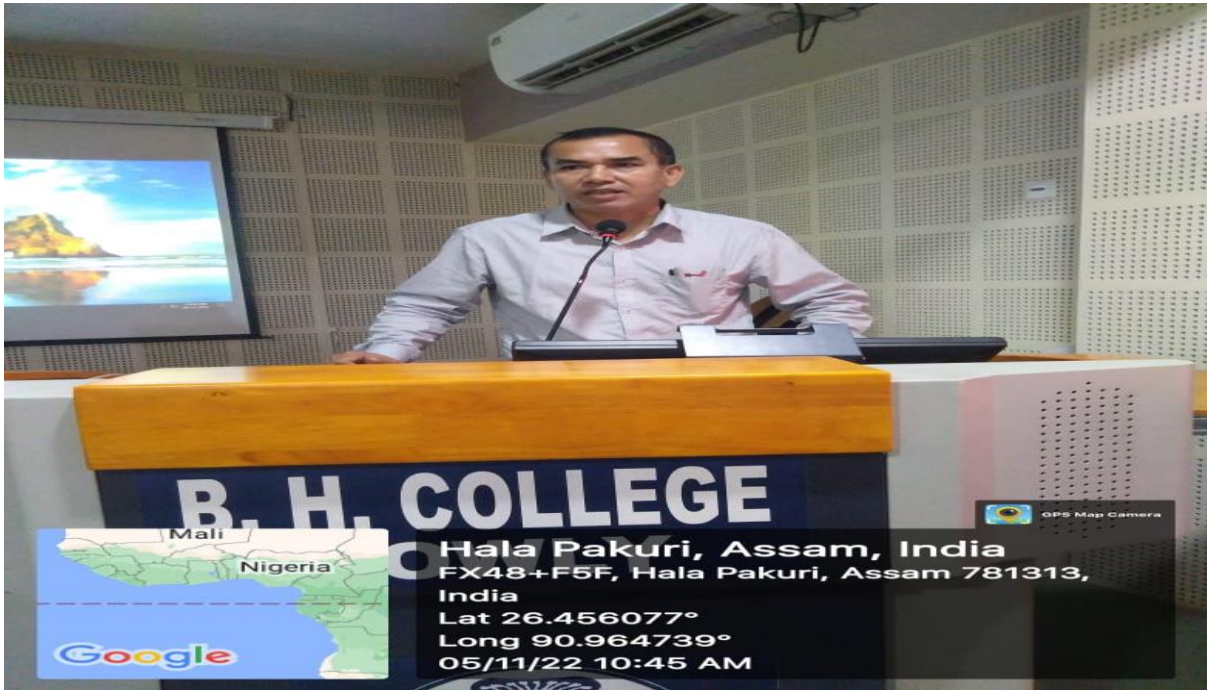

A One Day Workshop on NAAC preparation was organized on 5th November, 2022 jointly by Department of Commerce, B.H.College and Internal Quality Assurance Cell (IQAC), B.H.College. Around 63 delegates participated from about 8 colleges. These include teaching and non teaching staff of different colleges.

A very humble inaugural session was conducted in the Seminar hall in which the co-ordinator of IQAC Dr. Rabinjyoti Khatanier explained in brief the purpose of the workshop. All the three sessions of the workshop were engaged by Prof. Dibyojyoti Bhattacharjee who is a NAAC peer team member and has rendered his service as Co-ordinator/Member/Chairman of the Peer Team to different HEIs. In the first session Prof. Bhattacharjee explained in detail the entire process of NAAC Accreditation starting from registration of the HEI in the NAAC's portal to declaration of result in the accreditation process by NAAC.

Following the lecture there was a tea break and then the second lecture started where the speaker discussed in detail about the Peer Team visit. He threw light on what the Peer Team wants to see and what the HEI needs to showcase before the Peer Team. This lecture invited a lot of questions and interaction by the attendees and the Resource person responded to one and all the queries raised. The last session was an open session where the resource person answered to all the concerns raised by the audience over the NAAC Accreditation process. The questions were varied and ranged from filling up of the SSR to Accreditation results. The resource person explained very nicely to all the concerns raised during this interaction session too.

Following that there was a Vote of Thanks offered by the IQAC to the Resource Person and the teacher and staff of the college and other colleges too.
